## A MILLION DOLLAR FIRE.

**Dreadful Conflagration in New York City.**

**Five Firemen Smothered in the Flames.**

**The Walls Fall In Upon them—Added Excitement to the Election**

NEW YORK, Nov. 5.—A fire started in Keep's shirt factory at Broadway and Bleeker streets, which extended to Crosby street and is estimated to have done damage of \$1,000,000. At 10:15 o'clock Deputy Chief Reilly and five firemen were on the fifth and sixth floors of the Manhattan savings institution building when the walls fell. Reilly escaped, but could not save his men.

### RAPED AND MURDERED.

**The Atrocious Act of a Teamster in Omaha.**

OMAHA, Nov. 5.—The rape and murder of little Ida Gaskill, the 11-year-old child last night, was positively traced to Geo. Morgan, a teamster. He lives near where the body was found and was the last man seen with her. His clothing were covered with blood when arrested.

So great was the feeling against the prisoner that he was hurriedly removed to the penitentiary. Later a committee appointed by those favoring lynching went through the jail to satisfy the mob that the murderer was not there. Tonight a crowd of several hundred people surrounded the jail. They were orderly and were drawn more by curiosity than by any disposition to do violence.

### THE REPUBLICAN CONVENTION.

**San Francisco Determined to Capture the Prize.**

SAN FRANCISCO, Nov. 5.—The public spirited men of the city have responded enthusiastically to the call of the press and Union League club and have taken hold of the movement to secure the next National Republican convention for this city with an enthusiasm that will be satisfied only with success.

A meeting at the chamber of commerce this afternoon was largely attended. A permanent organization was effected and announcement will be

made at once of the gentlemen selected to form the executive committee of 100, which will direct the fight. A finance committee and general committee on promotion will also be appointed. Representative men from the interior will be appointed on these two committees, as the people outside this city have shown great interest in the convention movement.

### HEAVY CIVIL LIST.

**How the Cases Are Apportioned Among the Lawyers.**

There are 173 civil cases for the November term of the district court. Maricopa county has seemingly more lawyers than court business would warrant but the following shows how those 173 civil cases are apportioned to the legal fraternity: Hancock & Perley, 8; Kibbey & Williams, 26; Jno. D. Pope, 1; Alsworth, 45; Millay & Bennett, 32; W. J. Kingsbury, 53; Pierce Evans, 9; Cox & Willis, 20; Street & Frazier, 28; W. H. Barnes, 2; Fitch & Campbell, 23; T. J. Moriarity, 1; T. D. Bennett, 32; L. H. Chalmers, 5; P. B. McCabe, 4; W. H. Stillwell, 19; Wm. Herring, 3; VanHorn & Zuck, 5; J. B. Early, 3; A. J. Daggis, 4; Thos. Armstrong, 12; A. Buck, 1; F. J. Heney, 33; B. ### RELIGIOUS WAR.

**Catholics and A. P. A. Factions Fight in Kentucky.**

LOUISVILLE, Ky., Nov. 5.—A pitched battle took place between A. P. A's and Catholics in the Fourth ward today. Twenty shots were exchanged. Jacob Enright, an A. P. A., was seriously wounded. Then the rioters scattered.

### DEMPSEY'S FUNERAL.

BOUGHTON, Mich., Nov. 5.—James B. Sturgis died suddenly this morning. He has done much to develop the upper district and leaves a large fortune.

### HIS SON'S MURDER.

BOURGES, France, Nov. 5.—Marquis DeNaye, charged with the murder of his son, was acquitted today.

## REPUBLICAN!

**The Way the Election Went.**

**Cleveland Ideas With Cleveland Relegated to Innocuous Desuetude.**

**A Nation's Voice Was Heard.**

**And Its Tones Were Not Uncertain.**

**Only the Solid South Now Seems to Render Fealty to the Humbled Democracy.**

The election held yesterday in many of the states of the Union, however locally important, was mainly of interest in its general trend of public sentiment. The Democrats have claimed that their party course in the White House and in the congress would be vindicated by the people. The reverse has happened. The tidal wave of two years ago has returned and has swept the land. There is a frost today on the vanquished and the finger of destiny is seen clearly pointing the future. Republicanism is victorious throughout the land.

New York, the battle-ground of many a grand and fierce political battle, has once more thrown Tammany aside and enlisted under the banner of Republicanism, and in both branches of her legislature that party has now a heavy majority. In Ohio sanguine Democrats claim no more than one-third of the legislature and abandon all else. In Missouri large Republican gains are conceded. Even Maryland has swung toward the Republican side, while New Jersey, so long a Democratic stronghold, wavered.

"We have met the enemy and they are ours."

### NEW YORK.

**Fifty Thousand Plurality Is About the Figure.**

NEW YORK, Nov. 5.—The election was a quiet one and made unusually complex by the initial use of the blanket ballot. Seven tickets were in the field. While Tammany gains a portion of the city, it is only in pre-

cincts directly under the organization's control, but the state and legislature are overwhelmingly Republican.

The World says Tammany has elected 11 out of 12 senators and 11 assemblymen out of 25 in New York City.

At 11 p. m. a World bulletin announced: Both branches of the New York legislature will be heavily Republican.

At 11 The Sun claims Tammany has carried the city by 25,000 and the Democratic state ticket has carried the city by 40,000.

The Times says the returns indicate a Republican majority of 40,000 in the state.

The Journal says the state will be Republican by 70,000.

A conservative estimate is that New York state has been carried by the Republicans by a plurality ranging from 48,000 to 55,000.

### OHIO.

**The Republican Tidal Wave Came Back Again.**

COLUMBUS, Ohio, Nov. 5.—At 9 p. m. it was thought the tidal wave of the past two years had continued in Ohio, although no estimates could be given. The Democratic state committee in comparing the vote with that of last year, when the Republican plurality was 137,000, claims Democratic gains, but not enough for them to claim any close results on the state ticket or more than one-third of the members of the legislature.

Chairman Kurtz claims Ohio for Bushnell, R., for governor, by 80,000.

### MARYLAND.

**Entire Republican Ticket Is Believed to Be Elected.**

BALTIMORE, Nov. 5.—The Sun, anti-Democratic, claims the entire Republican state and city ticket elected. The News, Dem., has issued an extra, in which it claims that Lawdon, R., for governor, is elected. Democratic committee says state is very close, but claims Hurst's, D., election by a small majority.

The Democratic state committee concedes the election of Lawdon, R., for governor, and Hooper, R., for mayor.

### UTAH.

**The Constitution Adopted and the Republicans Ahead.**

SALT LAKE, Nov. 5.—Owing to the remoteness from telegraph lines many of the precincts, an accurate estimate cannot be made for several days. The Republican ticket seems to be chosen and the new constitution is adopted.

### NEW JERSEY.

**Very Close But the Republicans Are Confident.**

TRENTON, Nov. 5.—At midnight it is difficult to even forecast the election in New Jersey, for the reason that the official figures are not to be had and also for the reason that Essex county is conceded to be the pivotal point.

In the absence of trustworthy figures, both parties claim to have carried the county, Democrats claiming a majority of 1,000 and Republicans a majority of 5,000.

### CALIFORNIA.

**The Religious Issue Wins at the State Capital.**

SACRAMENTO, Nov. 5.—C. H. Hubbard, the A. P. A. candidate, was elected mayor, Wolson, R., running second; Steinman, Ind., third, and Lawton, D., fourth.

### NEBRASKA.

**Republicans Take the Election on a Light Vote.**

OMAHA, Nov. 5.—A light vote was cast throughout the state, but the Republicans have a victory almost throughout.

### KANSAS.

**General Republican Gains Throughout the Grasshopper State.**

TOPEKA, Nov. 5.—Reports are meager. Republicans claim Chief Justice Martin's election and also claim many of the county offices and general gains.

### MICHIGAN.

**Detroit Does Not Fail in Her Usual Good Judgment.**

DETROIT, Nov. 5.—Detroit elected the entire Republican ticket.

DETROIT, Mich., Nov. 5.—Mayor R. S. Pingree, R., is elected for his fourth term. Of sixteen aldermen elected, four are Democrats.

### KENTUCKY.

**Seems to Still Remain Democratic in Tone.**

LEXINGTON, Ky., Nov. 5.—The polls closed at 4 o'clock without a full vote being polled in the city, both sides claiming a victory. It is safe to say the Democrats won. Hardin, D., for

governor, will pull through in Fayette county and Lexington with a small plurality.

LOUISVILLE.—At Republican headquarters this city is claimed by 2,000. Chairman Long thinks the Democrats have won by a small majority. Both parties claim to have carried the state. The Evening Post (Dem.) says the state is in doubt.

### PENNSYLVANIA.

**Only Slight Interest, but the Usual Result.**

PHILADELPHIA, Nov. 5.—Only a state treasurer and seven superior judges were to be elected in this state. Haywood, R., for treasurer, has a majority of over 80,000, and Republicans have at least six of the seven judges.

### MISSISSIPPI.

**As Usual It Is a Very One-Sided Affair.**

JACKSON, Nov. 5.—Throughout the state a heavy vote has been polled. The contest is too one-sided to cause much interest. The Democratic state ticket is elected almost without opposition.

### VIRGINIA.

**The Legislature Will Remain a Democratic Fold.**

WASHINGTON, D. C., Nov. 5.—The Democrats hold entire control of the political machinery of the state and the legislature is safely Democratic. The legislature elects most of the important state officials.

### MASSACHUSETTS.

**Greenhalge Leads Williams Throughout the State.**

BOSTON, Nov. 5.—The city of Boston gives Greenhalge, R., for governor, 30,786, Williams, 33,287, and the vote as far as heard from throughout the state will not materially affect the ratio.

### IOWA.

**The State Still Solid in the Republican Phalanx.**

DES MOINES, Nov. 5.—On a light vote polled, the Republican ticket has generally won. Returns at hand give Drake, R., handsome plurality over Babb, D.

### MISSOURI.

**The St. Louis Republic Acknowledges Democratic Defeat.**

ST. LOUIS, Nov. 5.—The Republic (Dem.) concedes the election of Hadley, R., for congress. Returns are not all in, but those from decisive districts show Republican gains.

### WITH A HORSESHOE.

**The Lucky Instrument of an Unlucky Assault.**

WOODSIDE, L. I., Nov. 5.—James Schenck, a farmer, and a man named Bowers, had a quarrel over politics today.

Bowers struck Schenck over the head with a horseshoe. Schenck is in a critical condition.

### THE NEW YORK PRESS.

**Generally Tell of Added Republican Gains.**

NEW YORK, Nov. 5.—The Tribune says the Republicans carry New Jersey by 20,000 majority.

The Times says Greenhalge wins in Massachusetts by 60,000. The Times says the Democratic ticket is defeated in Maryland.

NEW YORK.—The New York Mail and Express says: The Republican state ticket will have from 35,000 to 40,000 majority for secretary of state. The Democrats concede 40,000 plurality for the Republicans.

The World says the state is Republican by 45,000 majority.

At 6:40 tonight Commissioner Roosevelt said at police headquarters: "I admit the Democratic county ticket as successful."

The election of Cummings, D., to congress is conceded by the Republicans.

A Morning Advertiser bulletin, posted at 7:30, says that at Democratic headquarters in this city it is claimed by 50,000 majority, while Tammany claims it by 40,000.

### COLLIERIES AT WORK.

**The Lehigh Valley Is No Longer Drought Stricken.**

HAZLETON, Pa., Nov. 5.—Every colliery and coal stripping in the Lehigh region which was forced to shut down several weeks ago on account of drought resumed work this evening, giving work to 5,000 men.

### SCHOOL SUPERINTENDENT.

SAN FRANCISCO, Nov. 5.—C. S. Young was appointed superintendent of public schools by the board of supervisors today.
